Independent Auditor's Report

**To The Members
Gemini Edibles & Fats India Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Gemini Edibles & Fats India Limited ('the Company'), which comprise the Standalone Balance Sheet as at 31 March 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Loss), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit (including other comprehensive loss), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Walker Chandio & Co LLP

Information other than the Standalone Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

5. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Walker Chandio & Co LLP

9. As part of an audit in accordance with Standards on Auditing, specified under Section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

11. As required by Section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
12. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. Further to our comments in Annexure A, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;

Walker Chandiok & Co LLP

- b) Except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The standalone financial statements dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act;
- f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 13(b) above on reporting under Section 143(3)(b) of the Act and paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2025 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 35 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2025;
 - ii. The Company, as detailed in note 42B(c)(iii) to the standalone financial statements, has made provision as at 31 March 2025, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 43(b)(i) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 43(b)(ii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Walker Chandiok & Co LLP

- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The interim dividend declared and paid by the Company during the year ended 31 March 2025 and until the date of this audit report is in compliance with Section 123 of the Act.
- vi. As stated in Note 46 to the standalone financial statements and based on our examination which included test checks, except for instance mentioned below, the Company, in respect of financial year commencing on 1 April 2024, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with other than the consequential impact of the exception given below. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention for the period 1 April 2023 to 31 March 2024, except for audit trail at the database level.

Nature of exception noted	Details of Exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year for all relevant transactions recorded in the software	The audit trail feature was not enabled at the database level for accounting software from 1 April 2024 till 28 March 2025 to log any direct data changes, used for maintenance of all accounting records by the Company.

Walker Chandio & Co LLP

Annexure A referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and capital work-in-progress.

(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment and capital work-in-progress under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment and capital work-in-progress were verified during the year and no material discrepancies were noticed on such verification/ material discrepancies were noticed on such verification which have been properly dealt with in the books of account.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 3 to the standalone financial statements, are held in the name of the Company.
- (d) The Company has adopted cost model for its Property, Plant and Equipment and intangible assets. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records. In respect of goods-in-transit, these have been confirmed from corresponding receipt and/or dispatch inventory records.
- (b) As disclosed in Note 18 to the standalone financial statements, the Company has been sanctioned a working capital limit in excess of Rs. 5 crores by banks based on the security of current assets. The quarterly returns/statements, in respect of the working capital limits have been filed by the Company with such banks and such returns/statements are in agreement with the books of account of the Company for the respective periods, which were not subject to audit.

Walker Chandio & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

- (iii) The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, to Companies, firms, limited liability partnerships or any other parties during the year. Further, the Company has made investments in company during the year:
- (a) The Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity during the year. Accordingly, reporting under clauses 3(iii)(a) of the Order is not applicable to the Company.
- (b) In our opinion, and according to the information and explanations given to us, the investments made is prima facie, not prejudicial to the interest of the Company.
- (c) The Company does not have any outstanding loans and advances in the nature of loans at the beginning of the current year nor has granted any loans or advances in the nature of loans during the year. Accordingly, reporting under clauses 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act in respect of investments made, as applicable. Further, the Company has not entered into any transaction covered under Section 185 and Section 186 of the Act in respect of loans granted, guarantees and security provided by it.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)(a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, value added tax and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

Walker Chandio & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Gernini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

- (b) According to the information and explanations given to us, we report that there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Amount (₹ millions)	Amount paid under Protest (₹ millions)	Period to which the amount relates	Forum where dispute is pending	Remarks

Walker Chandio & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

- (viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including confirmations received from banks and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the standalone financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.
- (e) In our opinion and according to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary company.
- (f) In our opinion and according to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiary company.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under Sub-Section 12 of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

Walker Chandiok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under Section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of Section 138 of the Act.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.

(d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

Walker Chandiok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

- (xx)(a) In our opinion and according to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility pertaining to other than ongoing projects as at end of the current financial year. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has transferred the remaining unspent amounts towards Corporate Social Responsibility (CSR) under Sub-Section (5) of Section 135 of the Act, in respect of ongoing project, within a period of 30 days from the end of financial year to a special account in compliance with the provision of Sub-Section (6) of Section 135 of the Act
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Walker Chandio & Co LLP

Annexure B

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Gemini Edibles & Fats India Limited ('the Company') as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Walker Chandiok & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Gemini Edibles & Fats India Limited on the standalone financial statements for the year ended 31 March 2025

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2025, based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

1. Company overview

The Standalone financial statements comprise financial statements of Gemini Edibles & Fats India Limited ("the Company") (CIN: U15205TG2008PLC058708) for the year ended and as at 31st March 2025. The company was incorporated in India under the provisions of the Companies Act applicable in India. The registered office of the Company is located at "Freedom House", 8-2-334/70 & 71, Road No.5, Banjara Hills, Hyderabad, Telangana – 500 034. The Company is primarily engaged in production and trading of edible oils and fats. The Company's production facilities are situated in Andhra Pradesh, India.

The Company is a majorly owned subsidiary of Golden Agri International Enterprise Pte. Ltd, Singapore and an ultimate subsidiary of Golden Agri-Resources Ltd, Singapore.

The Standalone financial statements of the Company for the year ended March 31, 2025 have been authorized for issue in accordance with a resolution of the directors passed in the meeting duly held on July 7th, 2025.

2. Summary of material accounting policies

The Company has consistently applied the following accounting policies to all periods presented in the Standalone financial statements.

(a) Basis of preparation of Standalone financial statements

The Standalone financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India. Accounting Policies have been consistently applied except where a newly issued accounting standards is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

The Ministry of Corporate Affairs ("MCA") vide its notification dated March 24, 2021 amended the Schedule III to the Companies Act, 2013. As per the said notification, these amendments are applicable for financial reporting for periods commencing on or after April 1, 2021. Further, the amendments require substantial additional disclosures and includes specific changes to certain existing disclosures. These Standalone financial statements have been prepared by management in accordance with the amended Schedule III - Division II based on available information and revised guidance note on Division II - Ind AS schedule III to the Act as issued by the ICAI in January 2022.

(b) Basis of measurement

The Standalone financial statements have been prepared on the historical cost basis, except for the following items:

- Certain financial assets and liabilities (including derivative instruments) are measured at fair value.
- Defined benefit liability/(assets) is measured at present value of defined benefit obligation less fair value of plan assets.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- **Level 1** inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- **Level 2** inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- **Level 3** inputs are unobservable inputs for the asset or liability.

(c) Functional and presentation currency

These Standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All amounts have been rounded to the nearest millions, unless otherwise indicated.

Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes to these Standalone financial statements.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(d) Use of judgements and estimates

In preparing these Standalone financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Management believes that the estimates used in the preparation of the Standalone financial statements are prudent and reasonable. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Judgements

Information about the judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the Standalone financial statements have been given below:

- Classification of financial assets:

Assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial assets are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the Standalone financial statements for the year ended is included below:

- Measurement of defined benefit obligations: key actuarial assumptions;

The cost and present value of the defined benefit gratuity plan and leave encashment (other long-term benefit plan) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation and other long term benefits are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- Useful life and residual value of property, plant and equipment and intangible assets.

Management reviews the useful lives of depreciable and amortisable assets at each reporting date, based on the expected utility of the assets to the Company.

- Provision for net realisable value: Inventory prices are sensitive to the domestic and international conditions and trends

Inventories primarily comprises of raw materials and finished goods of edible oil, selling price of which is usually influenced and are sensitive to the domestic and international conditions and trends. Estimation of net realisable value of the inventories as at the balance sheet date often involves estimation of future selling prices with due consideration of the domestic and international factors, observable market prices and future trends etc. Management has considered the best available information in determination of the net realisable value as on the balance sheet date which are sensitive and subject to future uncertainties relating to international developments.

(e) Classification of Assets and Liabilities as Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realized within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Current assets/ liabilities include the current portion of non-current assets/ liabilities respectively.

Deferred tax assets and liabilities are classified as non-current assets/liabilities.

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(f) Property, plant and equipment

Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. As on the date of transition to Ind-AS, the Company had availed one time transition exemption regarding the carrying cost of property, plant and equipment (PPE), pursuant thereto the carrying cost as at 1 April 2017 reported under the previous GAAP were considered as deemed cost for reporting under Ind-AS. The cost of assets comprises of purchase price and directly attributable cost of bringing the assets to working condition for its intended use including borrowing cost attributable to qualifying assets and incidental expenditure during construction incurred upto the date when the assets are ready to use. Capital work in progress includes cost of assets at sites, construction expenditure and interest on the funds deployed less any impairment loss, if any.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that there is an increase in the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation is calculated on straight line method using the rates arrived at on the basis of estimated useful lives given in Schedule II of the Companies Act, 2013 except, for Refineries and Storage tanks as classified under Plant and equipments, the useful for the said assets is determined to be 15 years as against 25 years as specified under schedule II, based on technical expert advice and past experience in Industry. Depreciation on additions to or on disposal of assets is calculated on pro-rata basis. Depreciation methods, useful lives and residual values are reviewed in each financial year end and changes, if any, are accounted for prospectively.

Capital work-in-progress

Expenditure incurred during the construction period, including all expenditure direct and indirect expenses, incidental and related to construction and eligible borrowing cost, is carried forward and on completion, the costs are allocated to the respective property, plant and equipment. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

De-recognition

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(g) Equity instruments/Investment in mutual funds

Equity instruments/Mutual funds in the scope of Ind AS 109 are measured at fair value. The classification is made on initial recognition and is irrevocable. Subsequent changes in the fair values at each reporting date are recognised in the Statement of Profit and Loss. All equity investments in subsidiaries are measured at cost less diminution other than temporary.

(h) Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than inventories and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amount of assets is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or Cash Generating Unit (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment loss in respect of assets other than goodwill is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised in prior years. A reversal of impairment loss is recognised immediately in the Statement of Profit & Loss.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(i) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use.

The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised on the basis of the Effective Interest Rate (EIR) method over the term of the loan.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

(j) Foreign currency transactions

Transactions in foreign currencies are recorded by the Company in its functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss with the exception of exchange differences on foreign currency borrowings included in the borrowing cost when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rates at the date of initial transactions. Non-monetary items measure at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(k) Employee benefits

Short term employee benefits

Short-term employee benefits are expensed in the period in which the related services are provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Employee benefits in the form of contributions to provident fund and to national pension scheme are defined as contribution plan and charged as expenses during the period in which the employees perform the services.

Defined benefit plans

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using market yields available on government bonds.

The effect of the remeasurement changes (comprising actuarial gains and losses) to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in other equity and will not be reclassified to the Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item employee benefits expense.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Other long-term employee benefits

The Company has long term employment benefit plans i.e. accumulated leave. Accumulated leave is encashed to eligible employees at the time of retirement. The liability for accumulated leave, which is a defined benefit scheme, is provided based on actuarial valuation as at the Balance Sheet date, based on Projected Unit Credit Method, carried out by an independent actuary.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(l) Revenue recognition

Sale of goods

The Company recognizes revenue when it satisfies a performance obligation at a point in time in accordance with the terms of contract with the customer. This is achieved when;

- (i) effective control of goods along with significant risks and rewards of ownership has been transferred to customer;
- (ii) the amount of revenue can be measured reliably;
- (iii) it is probable that the economic benefits associated with the transaction will flow to the Company; and
- (iv) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue towards satisfaction of performance obligation is measured on the basis of transaction price, after deducting for certain incentives including, but not limited to discounts, volume rebates. Amount collected on behalf of third parties such as goods and service tax are excluded from revenue. For incentives offered to customers, the Company makes estimates related to customer performance and sales volume to determine the total amounts earned and to be recorded as deductions. The estimate is made in such a manner, which ensures that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The actual amounts may differ from these estimates and are accounted for prospectively.

Interest income

Interest income are recognised on an accrual basis using the effective interest method.

Dividend income

Dividend income is recognized at the time the right to receive payment is established.

(m) Inventories

Inventories are valued at lower of cost and net realisable value except by-products which is valued at net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale. Cost comprises of expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity.

Inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Cost is determined by the first-in-first-out method for raw materials, packing material and work-in-progress and weighted average method for finished goods and for consumables, stores and spares.

Obsolete, slow moving and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

(n) Provisions, Contingent Liabilities and Contingent Assets

Based on the best estimate, provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable ("more likely than not") that it is required to settle the obligation, and a reliable estimate can be made of the amount of the obligation at reporting date. A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the Standalone financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the Standalone financial statements but disclosed, where an inflow of economic benefit is probable.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefit expected to be received from the contract.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

(o) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Managing Directors of the Company has been identified as being the chief operating decision maker of the Company.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(p) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

Subsequent to initial recognition and on the basis of the business model of the Company, financial assets are measured at amortised cost.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Company makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance as lifetime expected credit losses. These are the expected shortfalls in contractual cash flows, considering the potential for default at any point during the life of the financial instrument. In calculating, the Group uses its historical experience, external indicators and forward looking information to calculate the expected credit losses using a provision matrix.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and lease liabilities, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost in subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate (EIR) method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in the Statement of Profit and Loss.

After initial recognition, such financial liabilities are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(p) Financial instruments (Continued)

Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as foreign exchange forward contracts/ options/ futures and commodity forwards/ future contracts to hedge its foreign currency risks, commodity price risk and the exposure to changes in the fair value of a recognised assets or liability.

Derivatives are initially recognised at fair value and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gains / losses are recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of recognition in profit or loss/inclusion in the initial cost of non-financial asset depends on the nature of the hedging relationship and the nature of the hedged item.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

For the purpose of hedge accounting, hedges are classified as:

- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment.
 - Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment.
- At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedges that meet the strict criteria for hedge accounting are accounted for, as described below:

(i) Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

(ii) Cash flow hedges

The effective portion of changes in the fair value of the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in profit or loss. The Company uses forward currency contracts as hedges of its exposure to foreign currency risk in forecast transactions and firm commitments. Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or nonfinancial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

Cash dividends to equity holders

The Company recognises a liability to make cash distributions to equity holders when the dividend distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding reduction is recognised directly in equity.

(q) Income tax

Income tax expense comprises current and deferred tax. It is recognised in Statement of profit or loss except to the extent that it relates to items recognised directly in equity or in Other Comprehensive Income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Such reductions are reversed when the probability of future taxable profits improves.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

Accruals for uncertain tax positions require management to make judgments of potential exposures. Accruals for uncertain tax positions are measured using either the most likely amount or the expected value amount depending on which method the entity expects to better predict the resolution of the uncertainty. Tax benefits are not recognised unless the management based upon its interpretation of applicable laws and regulations and the expectation of how the tax authority will resolve the matter concludes that such benefits will be accepted by the authorities. Once considered probable of not being accepted, management reviews each material tax benefit and reflects the effect of the uncertainty in determining the related taxable amounts.

(r) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at bank and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(s) Earnings per equity share

The basic EPES is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPES, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per equity share, only potential equity shares that are dilutive and that either reduces the earnings per equity share or increases loss per share are included.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the Standalone financial statements by the Board of Directors.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

(t) Expenditure on new projects , substantial expansion and during construction period

Expenditure directly relating to construction activity is capitalised. Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the Statement of Profit & Loss. Income earned during construction period is deducted from the total of the indirect expenditure.

All direct capital expenditure on expansion is capitalised. As regards indirect expenditure on expansion, only that portion is capitalized which represents the marginal increase in such expenditure as a result of capital expansion. Both direct and indirect expenditure are capitalised only if they increase the value of the asset beyond its originally assessed standard of performance.

Expenditure during construction/installation period is included under capital work-in-progress and the same is allocated to respective fixed assets on the completion of its construction.

(u) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(v) Events after the reporting period

Based on the nature of the event, the Company identifies the events occurring between the balance sheet date and the date on which the Standalone financial statements are approved as 'Adjusting Event' and 'Non-adjusting event'. Adjustments to assets and liabilities are made for events occurring after the balance sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the balance sheet date or because of statutory requirements or because of their special nature. For non-adjusting events, the Company may provide a disclosure in the Standalone financial statements considering the nature of the transaction.

(w) New and Amended standards

The Ministry of Corporate Affairs (MCA) has notified IND AS 117 – Insurance Contracts via notification dated 12th August 2024 under the Companies (Indian Accounting Standards) Rules, 2024. Additionally, IND AS 116 – Leases has been amended with respect to sale and leaseback transactions, both of which are effective from 1st April 2024.

The Company has evaluated the above amendments and has concluded that there is no impact on the Standalone financial statements for the year ended 31st March 2025.

(c) Rights, preferences and restrictions attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 1 (March 31, 2024: ₹ 1) per share. Each holder of equity shares is entitled to one vote per share. The dividend proposed by the Board of Directors, if any, is subject to the approval of shareholders. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

In September 2018, the Company had entered into an agreement with Black River Food 2 Pte. Ltd., Singapore (Investors), Promoters viz Mr. Pradeep Chowdhry and Ms Alka Chowdhry, Investment and Commercial Enterprises Pte. Ltd (ICE) and Golden Agri International Enterprises Pte. Ltd, Singapore ('Holding Company'). Pursuant to certain terms of the said arrangement and on occurrence of the Put Event, the Investor, the Promoter's, and the ICE have the right to require the Company to purchase all the equity shares held by them at higher of fair market value or at an amount being the cost of investment as defined in the said agreement. Further, the arrangement also provides that in the event of the Company's failure to honour the put option, the Holding Company shall be liable, unconditionally, and irrevocably, to fulfil the obligation. Management has assessed that the Company do not intend to honour the put option and it has concluded that the liability on exercise of put option will be fulfilled by its Holding Company only. Accordingly, equity shares issued / held by the above parties has been classified as equity under Ind AS 32: "Financial Instruments: Presentation".

Net loss on foreign currency transactions	74.12	69.95
Net loss on settlement of sales contract	181.22	-
Insurance expense	43.67	54.81
Auditor's remuneration (refer note 33)	6.22	5.45
Provision for doubtful trade receivables and expected credit losses	0.61	0.55
Corporate social responsibility expenses (refer note a below)	140.81	159.32
Rates and taxes	11.16	12.79
Others	152.01	130.13
	3,351.05	2,986.47

a. Corporate social responsibility (CSR) expenditure

As per section 135 of the Companies Act, 2013, a corporate social responsibility (CSR) committee has been formed by the Company. The funds are utilized on the activities which are specified in Schedule VII of the Companies Act, 2013. The utilisation is done by way of contribution towards various activities.

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
(i) Gross amount required to be spent by the Company during the year	140.81	159.32
(ii) Amount approved by the Board to be spent during the year	140.81	159.32
(iii) Amount spent during the year (In cash)		
- on purpose other than above	128.02	108.02
(iv) (Shortfall) / Excess at the end of the year	(12.79)	(51.30)
(v) Total of previous years shortfall	(56.37)	(51.35)
(vi) Details of related party transactions	-	-
(vii) Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year should be shown separately	50.61	46.27
(viii) Balance amount under ongoing projects remaining unspent as at year end, transferred to separate bank account "GEFIL unspent CSR Account"	18.55	56.37
(ix) Amount of unspent liabilities to be transferred to a specified fund account	-	0.01
(x) Reason for shortfall:	Refer Note A below	Refer Note A below
(xi) Nature of CSR activities:		
a) Contribution to PM Cares	-	0.01
b) Disaster management, including relief, rehabilitation	20.03	-
c) Health/Eradicating Hunger/Poverty and malnutrition/Safe Drinking water/Sanitation	55.42	35.49
d) Promoting Education	12.70	43.21
e) Woman Empowerment	7.55	31.89
f) Promoting National Sports	1.00	-
g) Environmental sustainability, ecological balance	23.24	8.08
h) Rural Development Projects	10.12	33.05
i) Setting up oldage homes	0.94	-
j) Measures for benefit of armed forces	7.50	5.00
k) Animal welfare	1.36	2.60
l) Employment enhancing vocation skills	0.54	-
j) impact assessment charges	0.41	-

Note A: The reasons for shortfall is primarily due to delay in execution of the ongoing CSR projects, and delays in receipt of invoices for the completed CSR activities.

Note 31 - Income-tax expense

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
(a) Amounts recognised in the statement of profit and loss		
Tax expense		
Current tax		
Current year	2,824.84	1,171.02
Adjustments/(credits) related to previous years - (net)	(1.67)	63.80
	2,823.17	1,234.82
Deferred tax		
Deferred tax	(19.04)	89.91
Adjustments/(credits) related to previous years - (net)	1.67	(63.80)
	(17.37)	26.11
Total	2,805.80	1,260.93
(b) Amounts recognised in statement of other comprehensive income		
Deferred tax	(1.19)	(0.88)
Total	(1.19)	(0.88)
Total tax (a+b)	2,804.61	1,260.05

(c) Reconciliation of tax expense and the accounting profit multiplied by statutory tax rate

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Profit before tax	10,994.66	4,877.29
Tax using the Company's domestic tax rate @ 25.168% (March 31, 2024: 25.168%)	2,767.14	1,227.52
Tax effect of:		
Adjustment of tax relating to the earlier years	(2.07)	(63.26)
Effect of expenses that are not deductible in determining tax profit	40.73	96.67
	2,805.80	1,260.93
Effective income-tax rate	25.52%	25.85%
Others	(1.19)	(0.88)
Total income tax expenses	2,804.61	1,260.05

Note 32 - Earnings per equity share (EPES)

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
(a) Net profit attributable to the equity shareholders	8,188.86	3,616.36
(b) Face value per share (in absolute ₹)^(a)	1.00	1.00
(c) Weighted average number of equity shares outstanding during the year for Basic EPES and Diluted EPES	102,875,080	102,875,080.00
(d) Earnings per equity share - Basic and diluted in ₹ - (a/c)	79.60	35.15

Note 33 - Auditor's remuneration

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
As Auditor		
Statutory audit and group reporting fee	4.34	4.34
Tax Audit & other Services	0.95	0.95
Other taxation services	0.79	-
Reimbursement of expenses	0.14	0.16
	6.22	5.45

Note 34 - Segment Reporting

According to Ind AS 108, Segment Reporting, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the Company falls within one operating segment viz. "Edibles Oils and Allied products" and substantially sale of the product is within the country. Hence, the disclosure requirement of Ind AS 108, Segment Reporting, is not considered applicable.

The Company does not have revenue from any customer which in total exceeds 10% of total revenue from operations.

Note 35 - Contingent liabilities and commitments

A Contingent liabilities

	As at March 31, 2025	As at March 31, 2024
Claims against the Company not acknowledged as debt:		
- Demand under the Customs Act, 1962 (including Goods and Services Tax)	209.86	200.97
- Demand under the Central Excise Act, 1944	42.62	40.21
- Demand under the Value Added Tax / Entry Tax	0.20	7.30
- Demand under the Income Tax Act, 1961	121.72	103.79
- Others	6.15	5.60

- (a) Pending resolution of the respective proceedings, it is not practical for the Company to estimate the timings of cash outflows, if any, in respect of the above as it is determinable only on receipt of judgments/ decisions pending with various forums/ authorities. However, the Company has reviewed all its pending litigation and proceeding and has adequately provided for where provision required and disclosed as contingent liabilities where applicable, in its standalone financial statements. The Company does not expect the outcome of these proceeding to have a material adverse effect on its financial position. The Company does not expects any payment in respect of the above contingent liabilities.

B Commitments

	As at March 31, 2025	As at March 31, 2024
(a) Estimated amount of capital contracts remaining to be executed and not provided for (net of advances)	25.13	230.16
(b) Commitment to the Telangana State Industrial Infrastructure Corporation (TSIIC) for construction of Food Processing Industry as per the terms of agreement dated 5 March 2024		

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Note 36 - Employee Benefits

a) The employee benefit schemes are as under:

Defined Contribution Plans:

Provident fund :

The Company makes contributions towards provident fund and national pension scheme for qualifying employees. Under the plan, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit plan to fund the benefits.

	For the year ended	
	March 31, 2025	March 31, 2024
Contribution to provident fund	42.81	37.80
Contribution to other funds	7.68	6.50

Defined Benefit Plan:

Gratuity :

The Company makes provision for gratuity as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of at least 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. Gratuity liability is being contributed to Group Gratuity Cash Accumulation plans managed by the Life Corporation of India (LIC). The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2025.

b) The following table sets out the particulars of the employee benefits as required under the Ind AS 19, Employee Benefits

i) The amounts recognised in the balance sheet and the movements in the defined benefit obligation over the year for Gratuity are as follows:

	March 31, 2025			March 31, 2024		
	Present value of obligation	Fair value of plan assets	Net Liability / (asset)	Present value of obligation	Fair value of plan assets	Net Liability / (asset)
Opening balance (A)	122.63	134.93	(12.30)	100.50	127.54	-27.04
Current service cost	17.03	-	17.03	13.09	-	13.09
Interest (expense) / income	9.05	9.57	(0.51)	7.75	9.35	(1.60)
Total amount recognised in the statement of profit and loss (B)	26.08	9.57	16.52	20.84	9.35	11.49
Remeasurements						
Actuarial loss / (gain) arising from :						
- Financial assumptions	4.73	-	4.73	3.16	-	3.16
Return on plan assets	-	(0.02)	0.02	-	(0.34)	0.34
Total amount recognised in other comprehensive income (C)	4.73	(0.02)	4.74	3.16	(0.34)	3.50
Contribution by employer (D)	-	0.28	(0.28)	-	0.25	(0.25)
Benefit paid (E)	(5.52)	(5.52)	-	(1.87)	(1.87)	-
Closing Balance (A+B+C+D+E)	147.92	139.23	8.68	122.63	134.93	(12.30)

ii) Significant estimates: Actuarial assumptions

The significant actuarial assumptions for defined benefit obligation are as follows:

	As at March 31, 2025	As at March 31, 2024
Discount rate	6.72%	7.09%
Attrition rate		
Past Service		
- 0-5 years	3.00%	3.00%
- 5-42 years	1.00%	1.00%
Salary escalation rate	10.00%	10.00%
Expected Return on Plan Assets	6.72%	7.09%
Mortality table	100% of IALM (2012 - 14)	100% of IALM (2012 - 14)

iii) Details of plan assets

	As at March 31, 2025	As at March 31, 2024
Fund managed by insurer*	100%	100%

* In the absence of detailed information regarding plan assets which is funded with Insurance Company, the composition of each major category of plan assets, the percentage or amount for each category to the fair value of plan assets has not been disclosed.

iv) Sensitivity analysis

	As at March 31, 2025	As at March 31, 2024
A. Discount rate		
a. Effect of decrease in discount rate by 100 basis points	16.36	13.59
b. Effect of increase in discount rate by 100 basis points	(13.74)	(11.44)
B. Salary escalation rate		
a. Effect of decrease in salary escalation rate by 100 basis points	(6.99)	(6.97)
b. Effect of increase in salary escalation rate by 100 basis points	6.85	6.10

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Note 36 - Employee Benefits (Continued)

iv) Sensitivity analysis (Continued)

The Sensitivity Analysis has been determined based on reasonably possible change of the respective assumptions occurring at the end of the year, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. Sensitivities due to mortality and withdrawals are insignificant. There was no change in the methods and assumptions used in the preparation of the Sensitivity Analysis from previous year.

v) Description of risk exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follows -

A) Salary Increases - Higher than expected increase in salary will increase the defined benefit obligation.

B) Investment Risk - Assets / liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability / Assets.

C) Discount Rate - Reduction in discount rate in subsequent valuations can increase the plan's liability.

D) Demographic Risk - This is the risk of variability of results due to unsystematic nature of decrements that includes mortality, withdrawals, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the employee benefit of a short career employee typically costs less per year as compared to a long service employee.

vi) Maturity profile of defined benefit obligation :

	As at March 31, 2025	As at March 31, 2024
Year 1	14.58	6.22
Year 2	7.81	9.67
Year 3	15.47	7.06
Year 4	14.17	14.28
Year 5	8.48	14.57
Year 6 to 10	39.28	30.71

Note 38 - Revenue

(a) Reconciliation of revenue as per contract price and as recognised in the statement of profit and loss:

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Revenue as per contract price	108,173.81	90,943.23
Less: Incentives & discounts	(658.67)	(404.79)
Total revenue from operations (refer note 24)	107,515.14	90,538.44

(b) Contract balances

	As at March 31, 2025	As at March 31, 2024
Trade receivables	2,138.92	1,348.14
Contract liabilities	99.90	295.46

(c) Timing of transfer of goods and services

	As at March 31, 2025	As at March 31, 2024
Goods transferred at a point in time	107,515.14	90,538.44

Note 39 - Leases

On April 1, 2019, the Company adopted Ind AS 116, Leases. There was no impact on retained earnings upon implementation of Ind AS 116. The Company has recognised short-term leases over the lease term. The expenses related to short-term leases are ₹ 90.20 (March 31, 2024 : ₹ 160.27) for the year ended March 31, 2025. There are no income from subleasing right-of-use assets nor any gains or losses from sales and leaseback of assets for the year ended March 31, 2025.

Note 40 - Offsetting

During the year, Company has issued Letter of Credit (LC's) through banks favouring the suppliers for purchase of raw materials and stock-in-trade. The Company has also placed fixed deposits with the same bank for repaying the liability against the LC's and also entered into the forward contract with the same maturity date. Set off agreements had been entered into with the bank in respect of above LC's to allow maturity proceeds of fixed deposits placed against the same to be utilized to fully discharge the liability under the LC's on maturity. Further, any shortfall due to LIBOR/SOFR reset shall be paid/received by the Company. Thus liability on such borrowings and forward contract is adjusted against the maturity value of the said fixed deposits.

As at March 31, 2025

	Gross	Unearned Portion	Net
Fixed deposit	9,581.77	-	9,581.77
Interest on fixed deposits	666.76	(330.25)	336.51
Maturity proceeds of fixed deposits (A)	10,248.53	(330.25)	9,918.28
Short term borrowing including financing costs/ unamortised premium of forward contracts (B)	10,014.30	(366.14)	9,648.16
Net amount included under 'Note 13 - Other current financial assets - others' (A-B)	234.23	35.89	270.12

As at March 31, 2024

	Gross	Unearned Portion	Net
Fixed deposit	1,680.80	-	1,680.80
Interest on fixed deposits	116.20	(21.65)	94.55
Maturity proceeds of fixed deposits (A)	1,797.00	(21.65)	1,775.35
Short term borrowing including financing costs/ unamortised premium of forward contracts (B)	1,681.18	(18.31)	1,662.87
Net amount included under 'Note 13 - Other current financial assets - others' (A-B)	115.82	(3.34)	112.48

Break up of trade finance income:

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Interest income on fixed deposits	562.35	171.31
Less: Interest expense and related expenses on short-term borrowings and forward contracts	(590.97)	(150.73)

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Note 41 - Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The following table summarises the capital of the Company.

	As at March 31, 2025	As at March 31, 2024
Equity share capital	102.88	102.88
Other equity	29,202.81	24,412.38
Total equity (A)	29,305.69	24,515.26
Current borrowings*	53,560.17	55,010.97
Total debt (B)	53,560.17	55,010.97
Less : Cash and cash equivalents	48.42	79.36
Net debt (C)	53,511.75	54,931.61
Less : Fixed deposits	53,511.75	54,931.61
Net adjusted debt (D)	-	-
Capital and net debts excluding fixed deposits (E = A + C)	82,817.44	79,446.87
Capital and net debts including fixed deposits (F = A + D)	29,305.69	24,515.26
Capital gearing ratio (B / E)	64.67%	69.24%
Adjusted Capital gearing ratio (D / F)	0.00%	0.00%

*The current borrowings amounting to ₹ 48,115.63 (March 31, 2024: ₹ 51,818.86) are availed against pledge of fixed deposits receipts ₹ 48,289.09 (March 31, 2024: ₹ 52,396.97) and accrued interest thereon. The above ratios will get impacted if company had satisfied the offsetting criteria on its FD backed borrowings.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There were no changes in the objectives, policies or processes for managing capital during the year.

Note 42 - Financial Instruments - fair values and risk management

A. Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities as at March 31, 2025, including their levels in the fair value hierarchy.

	Carrying Amount				Fair value

Fair value hierarchy

The fair value of financial instruments as referred (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements]. The categories used are as follows:-

Level 1: Quoted prices for identical instruments in an active market;

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There are no transfers between level 1 and level 2 during the period.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market of similar instruments and have been included in level 1.
 - the fair value of over the counter contracts is determined as per dealer quotes for similar instruments and have been included in level 2.
 - the fair value of forward foreign exchange contracts is determined by reference to current forward exchange rates for contracts with similar maturity profiles as at the reporting date and have been included in level 2.
 - the fair value of the remaining financial instruments is determined using discounted cash flow analysis and have been included in level 3.
- Changes in level 2 and 3 fair values are analysed at the end of each reporting period and there is no movement in level -3 fair value measurements.

B. Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- (a) credit risk;
- (b) liquidity risk; and
- (c) market risk

Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the processes to control risks through defined framework. The Company's risk management policy is established to identify and analyse the risks faced by the Company, to set appropriate controls. Risk management policy is reviewed by the Board of Directors annually to reflect changes in market conditions and the Company's activities. The Company's Board of Directors oversees compliance with the Company's risk management policy, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board of Directors is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and reviews of risk management controls and procedures, the results of which are reported to the Board of Directors.

B. Financial Risk Management (Continued)

(a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from trade receivables, balances with banks, loans and other receivables. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivables. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 66,646.52 and ₹ 66,108.18 as of March 31, 2025 and March 31, 2024 respectively, representing carrying amount of all financial assets with the Company. Further, maximum exposure to credit risk is ₹ 18,530.89 and ₹ 14,289.32 as of March 31, 2025 and March 31, 2024 respectively which is fully secured by way of pledge of identified fixed deposits against borrowings.

Trade receivables are subject to credit limits, controls and approval processes. Due to large number of customers, the Company is not exposed to material concentration of credit risk. Basis the historical experience, the risk of default in case of trade receivables is low. The Company creates allowances for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

Movement in the loss allowance of trade receivables

	As at March 31, 2025	As at March 31, 2024
Loss allowances at the beginning of the year	8.34	10.65
Add: Changes in loss allowances	0.61	(2.31)
Loss allowances at the end of the year	8.95	8.34

(b) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or any other financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to the Company's reputation.

The Company regularly monitors the cash flow projections to ensure it has sufficient cash on an on-going basis to meet operational needs. Any surplus cash generated over and above working capital and long term requirement is suitably invested in interest bearing term deposits and other highly marketable debt instruments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

Maturities of financial liabilities

The Company's financial liabilities as at March 31, 2025 and March 31, 2024 are equal to the contractually undiscounted cash flows. Further, the financial liabilities are payable within one year from the end of Balance Sheet date.

The Company has undrawn bank loan facilities which may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time and have an average maturity within a year.

(c) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and commodity price risk. Financial instruments affected by market risk include trade payables, trade receivables, borrowings, etc.

(i) Currency risk

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The Company is exposed to foreign exchange risk arising from foreign currency transactions mainly due to import of raw materials and stock in trade, primarily with respect to the USD, which is mitigated by taking hedges. The objective of the hedges is to minimise the volatility of the functional currency cash flows by hedging foreign currency outflow on regular basis. Currency risks related to the principal amounts of the Company's foreign currency payables, have been mostly hedged using currency forward contracts taken by the Company.

In respect of other monetary assets and liabilities denominated in foreign currencies, the Company's policy is to ensure that its net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates when necessary to address short-term imbalances.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Significant foreign currency risk exposure relating to borrowings, derivatives and trade payable

	As at March 31, 2025		As at March 31, 2024	
	USD	MYR	USD	MYR
Financial liabilities				
Foreign currency loan	682.07	-	649.61	-
Interest on foreign currency loan	17.30	-	16.13	-
Foreign currency creditors for import of goods	55.67	-	10.07	-
Financial assets				
Other payable / (receivables) including advance for imports	(0.68)	(0.44)	(0.60)	(0.80)
Exposure in foreign currency	754.37	(0.44)	675.20	(0.80)
Derivative liabilities not designated as hedges				
Foreign exchange forward contract to buy foreign currency	(548.82)	-	(513.69)	-
Net exposure in foreign currency	205.55	(0.44)	161.52	(0.80)
Net exposure in ₹	17,590.83	(8.46)	13,466.55	(14.16)

Following significant exchange rates have been applied

	As at March 31, 2025		As at March 31, 2024	
	Average rate	Year end spot rate	Average rate	Year end spot rate
USD 1	84.45	85.58	82.79	83.37
MYR 1	18.87	19.26	17.82	17.64

Sensitivity analysis:

A reasonably possible strengthening (weakening) of the INR against USD at March 31, 2025 would have affected the measurement of financial instruments denominated in a foreign currency and affected profit or loss by the amounts shown below.

	Impact on profit for the year ended	
	As at March 31, 2025	As at March 31, 2024
USD Sensitivity		
INR/USD increase by 5%	(879.56)	(673.27)
INR/USD decrease by 5%	879.56	673.27

This analysis assumes that all other variables, in particular interest rates, remain constant. Sensitivity analysis for INR against MYR is immaterial.

(ii) Interest rate risk

The company is exposed to fluctuation in interest rates on its borrowings.

The interest rate risk arises due to uncertainties about future index values to which borrowing cost is linked in case of variable rate borrowings of the Company.

There is no risk of interest rate on investment made in Term deposit of banks.

Currently the Company's borrowings are within acceptable risk levels, as determined by the management, hence the Company has not taken any swaps to hedge the interest rate risk.

The exposure of the Company's borrowing to interest rate changes at the end of the year are as follows:

	As at March 31, 2025	As at March 31, 2024
Fixed rate borrowings	53,560.17	55,010.97

Sensitivity analysis - Fixed rate borrowings:

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

(iii) Commodity price risk

The prices of agricultural commodities are subject to wide fluctuations due to unpredictable factors such as weather, government policies, changes in global demand resulting from population growth and changes in standards of living and global production of similar and competitive crops. During its ordinary course of business, the value of the Company's open sales and purchases commitments and inventory of raw material changes continuously in line with movements in the prices of the underlying commodities.

While the Company is exposed to fluctuations in commodities prices, its policy is to minimise its risks arising from such fluctuations by hedging its purchase either through direct sales of a similar commodity or through commodity futures contract on commodity exchanges and over the counter contracts (OTC). The Company has a Board approved policy for the risk management covering the exposure towards commodities, commodity risk and hedged exposure.

The Commodity future contracts on commodity exchanges, designated as hedges, entered into by the Company and outstanding at the year-end are as under:

Fair Value Hedge

Particulars	Nominal Value	Quantity (Absolute MT)	Carrying Amount	Changes in fair value	Hedge Maturity	Line Item In Balance Sheet
As on March 31, 2025						
Commodity Price Risk						
Derivative Contracts	2,325.68	27,000	2,355.43	(29.75)	May 2025 & June 2025	Other current financial liabilities
As on March 31, 2024						
Commodity Price Risk						
Derivative Contracts	925.77	12,620	934.98	(9.21)	Apr 2024 & June 2024	Other current financial liabilities

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Note 43 - Other notes

a. Changes in liabilities from financing activities are as under:

	As at March 31, 2025	Cash Flow	Non cash Changes (Foreign exchange movement)	As at March 31, 2024
Current borrowings	53,560.17	(1,714.02)	263.22	55,010.97

	As at March 31, 2024	Cash Flow	Non cash Changes (Foreign exchange movement)	As at March 31, 2023
Current borrowings	55,010.97	(527.05)	319.36	55,218.66

b. Disclosure pursuant to requirements of Rule 11(e) (i) & (ii) of the Companies (Audit and Auditors) Rules:

- (i) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries).
- (ii) The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 44 - Depreciation and amortization expense

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Depreciation expense	415.62	372.32
Amortization expense	7.03	7.15
	422.65	379.47

Note 45 - Financial ratios

a. Current ratio = Current assets divided by current liabilities

	As at March 31, 2025	As at March 31, 2024
Current Assets (A)	81,329.50	77,691.16
Current Liabilities (B)	63,063.93	60,399.52
Ratio (A/B)	1.29	1.29
% Change from previous year	0.26%	

Note: Current liabilities as referred above at 31 March 2025 and 31 March 2024 includes borrowings fully secured by way of pledge of identified fixed deposits of ₹48,115.63 and ₹51,818.86 respectively, as included under assets in note 12. Had the off-setting principles were satisfied in respect of the above fixed deposits, the current ratio could have been 2.22 and 3.02 for the aforesaid years respectively.

b. Debt Equity ratio = Total debt divided by total equity where total debt refers to sum of current and non current borrowings

	As at March 31, 2025	As at March 31, 2024
Total debt (A)	53,560.17	55,010.97
Total equity (B)	29,305.69	24,515.26
Ratio (A/B)	1.83	2.24
% Change from previous year	-18.55%	

Note: Total debt as referred above at 31 March 2025 and 31 March 2024 includes borrowings fully secured by way of pledge of identified fixed deposits of ₹48,115.63 and ₹51,818.86 respectively, as included under assets in note 12. Had the off-setting principles were satisfied in respect of the above fixed deposits, the debt equity ratio could have been 0.19 and 0.13 for the aforesaid years respectively.

c. Debt Service Coverage Ratio = Earnings available for debt servicing divided by debt service

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Profit after tax (PAT)	8,188.86	3,616.36
Add - Finance Cost	4,399.97	4,503.66
Add - Depreciation and Amortisation Cost	422.65	379.47
Earnings available for debt services (A)	13,011.48	8,499.49
Current Borrowings	53,560.17	55,010.97
Add - Finance Cost	4,399.97	4,503.66
Debt service (B)	57,960.14	59,514.63
Ratio (A/B)	0.22	0.14
% Change from previous year	57.19%	

Reason for change more than 25%: Increase in Net profit after tax is primarily attributable to improvement in product margins resulting from favourable fluctuations in crude oil prices.

Note: Debt Service Coverage Ratio referred above at 31 March 2025 and 31 March 2024 includes borrowings fully secured by way of pledge of identified fixed deposits of ₹48,115.63 and ₹51,818.86 respectively, as included under assets in note 12. Had the off-setting principles were satisfied in respect of the above fixed deposits, Debt service coverage ratio could have been 1.32 and 1.10 for the aforesaid years respectively.

Note 45 - Financial ratios (Continued)

d. Return on Equity Ratio / Return on Investment Ratio = Net profit after tax divided by Average Equity

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Net profit after tax (A)	8,188.86	3,616.36
Average equity (B)	26,910.48	23,428.52
Ratio (A/B)	30.43%	15.44%
% Change from previous year	97.14%	

Reason for change more than 25%: Increase In Net profit after tax is primarily attributable to improvement in product margins resulting from favourable fluctuations in crude oil prices.

e. Inventory Turnover Ratio = Cost of Goods Sold divided by average inventory

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Cost of Goods Sold (A)	91,679.75	81,710.25
Average inventory (B)	14,949.22	12,710.93
Ratio (A/B)	6.13	6.43
% Change from previous year	-4.60%	

f. Trade Receivables turnover ratio = Sales divided by Average trade receivables

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Sales (A)	107,515.14	90,538.44
Average Trade Receivables (B)	1,743.53	1,552.52
Ratio (A/B)	61.67	58.32
% Change from previous year	5.74%	

g. Trade payables turnover ratio = Purchases divided by Average trade payables

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Purchases (A)	98,313.12	79,530.28
Average Trade Payables (B)	3,510.15	1,239.29
Ratio (A/B)	28.01	64.17
% Change from previous year	-56.36%	

Reason for change more than 25% :The reduction is primarily due to an increase in average trade payables during the year, owing to higher year-end outstanding balances

h. Net Capital Turnover Ratio = Sales divided by Working capital whereas working capital= current assets - current liabilities

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Sales (A)	107,515.14	90,538.44
Working capital (B)	18,265.57	17,291.64
Ratio (A/B)	5.89	5.24
% Change from previous year	12.42%	

i. Net profit ratio = Net profit after tax divided by Sales

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Net profit after tax (A)	8,188.86	3,616.36
Sales (B)	107,515.14	90,538.44
Ratio (A/B)	7.62%	3.99%
% Change from previous year	90.68%	

Reason for change more than 25%: Increase in Net profit after tax is primarily attributable to improvement in product margins resulting from favourable fluctuations in crude oil prices.

j. Return on Capital employed (pre cash)=Earnings before interest and taxes(EBIT) divided by Average Capital Employed

	For the Year Ended March 31, 2025	For the Year Ended March 31, 2024
Profit before tax (A)	10,994.66	4,877.29
Finance costs (B)	4,399.97	4,503.66
Other Income (C)	4,970.61	5,132.14
EBIT (D) = (A)+(B)-(C)	10,424.02	4,248.81
Average Capital Employed (E)	26,910.48	23,428.52
Ratio (D/E)	38.74%	18.14%
% Change from previous year	113.60%	

Reason for change more than 25%: Increase in profit is primarily attributable to improvement in product margins resulting from favourable fluctuations in crude oil prices.

Gemini Edibles & Fats India Limited
Notes to the Standalone financial statements
(All amounts in ₹ millions unless otherwise stated)

Note 46

The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses accounting software to maintain its books of account. The audit trail (edit log) feature was enabled at the application level and remained operational throughout the current and previous financial years. Additionally, the Company enabled the audit trail (edit log) feature at the database level to log any direct data changes in a phased manner, from 3 March 2025 to 28 March 2025, during the current year. Access to database IDs with Data Manipulation Language (DML) authority—capable of making direct data changes (create, modify, delete) at the database level—is restricted to authorized personnel only. Other users of the Company do not have such access. Furthermore, the Company has preserved audit trails in accordance with statutory record retention requirements, except for the database-level audit trails for the period from 1 April 2023 to 31 March 2024, during which the database-level audit trail feature was not enabled.

This is the summary of material accounting policies and other explanatory information referred to in our report of even date.
